

ARJE Shout-Outs: Celebrate, Appreciate, Connect!

"Make for yourself a teacher, acquire for yourself a friend." –
Pirkei Avot 1:6

ARJE Shout-Outs embody the essence of this teaching, offering opportunities for connection, appreciation, and celebration within our vibrant community of Jewish educators.

Now in its second year, ARJE Shout-Outs are a special way for members to recognize and uplift one another through personalized video messages. Whether it's a word of thanks, encouragement, or admiration, these short (15 seconds or less) shout-outs are a meaningful way to strengthen our bonds as colleagues and friends.

To participate, complete the [form here](#) and then submit your shout-out video to JMafdali@templefordorim.org by Thursday, May 1. Each shout-out is \$54 and these messages will debut at our **ARJE Annual Meeting (May 22 at 1PM Eastern)**, and a link will be shared with recipients afterward.

As we continue this **fundraiser for our Annual Fund**, we aim to raise **\$10,000 each year** to support ARJE's programs and services. We encourage you to take part by sharing your voice and lifting up others in our community.

Let's celebrate one another—one shout-out at a time!

With gratitude,
Jamie Mafdali, RJE
