

# Why is ARJE26 For My Educator?

INVESTING IN YOUR EDUCATOR BENEFITS YOUR WHOLE COMMUNITY. ARJE26 IS A LIVELY, SUPPORTIVE AND EXCITING GATHERING THAT WILL LEAVE YOUR EDUCATOR ENGAGED, EMPOWERED AND READY FOR WHATEVER COMES NEXT.

## Invest in Your Community

### Educational Resources to Meet the Moment

Your educator will connect with and get to know those who provide educational materials for your program. Along with learning about new curricula, resources, music, and more, they can also share your community's needs and wants with these providers in real time face-to-face interactions.

### Relationships to Help Your Community Thrive

Your educator will connect with colleagues to troubleshoot, solve problems, and build a support network to turn to year round. As your community faces its inevitable challenges, your educator will have peers to turn to for creative problem solving and support.

### Inspiration to Keep Them, (and You!) Going

This gathering is filled with ideas and inspiration! From best practices in the field, to peer engagement, to one on one time with expert leaders and teachers, your educator will return back to your community energized and ready to go. We know that the more inspired your educator is, the more interested and engaged your community will be!
